4. What are some of the key terms and conditions that I should be aware of?

- Importance of Disclosure - You must disclose all material facts such as previous accidents and modification to engines.
- Since this is a Private Car policy, your policy only covers you if your car is used for “social, domestic and pleasure purposes and for the policyholder's business”.
- The premium is quoted based on the assumptions that the number of years of driving experience is at least 4 years for insured driver aged 21 years old and above, however for insured driver aged below 21 years old, it will be the difference between the insured driver's actual attained age and the minimum driving age of 17 years old AND you have zero or no more than one motor insurance claim in the past 2 years. By proceeding to payment, you are deemed to have agreed to this statement and subject to the terms and conditions of the policy wording.
- It is important that the sum insured amount you select for your motor policy is adequate based on your approved Motor Vehicle Market Valuation system.
- In the event of claim, your claim will be assessed based on the same Motor Vehicle Market Valuation database. This will not apply if your vehicle is insured based on agreed value.
- Your motor policy is subject to Average Clause where if your vehicle is under-insured, in the event of a claim the amount will be reduced in proportion to the under-insured amount.
- If you over-insure your vehicle and, in the event of theft or total loss claim, the claim amount will be subject to the market value at time of loss.
- The excess, that is amount of loss you have to bear if your vehicle is driven by a person not named in your motor policy: Compulsory excess of RM400.00 and any other excess amount named in the policy schedule. This compulsory excess will not apply if you extend to cover “Waiver of Compulsory Excess (non-tariff)” in your policy.
- Betterment will apply when in the course of repairing an accident-damaged vehicle (age of vehicle five years and above), and old part is replaced with a new franchise part. You will have to bear the difference in cost (depending on the age of your vehicle) as your repaired vehicle is in a better condition that it was before the accident.
- If a claim arises under this policy and such a loss is also claimable under the other insurance policy(ies) taken by you, we will only contribute our rateable proportion of the whole loss. We will not be liable to pay the claim first and then seek recovery from the other co-insurers who is / are also liable for the loss.
